**NEVADA TREASURER ISSUES STATEMENT DURING NATIONAL SCHOOL CHOICE
WEEK**

Carson City, NV. – State Treasurer Dan Schwartz issued the following statement to honor National School Choice Week.

“I am a strong supporter of school choice because I believe parents are in the best position to decide how their children should be educated. The Treasurer’s Office looks forward to working with Nevada lawmakers in making universal school choice a reality. No child deserves an inferior education because they live in poor-performing districts or have special needs which are not being met by their schools.”
